P.C.

Heard Ms. Coutinho, the learned Government Advocate for the applicants. The learned Government Counsel states that the first appeal filed by the respondents for enhancement was admitted on 11.9.2003 and the applicants herein have deposited the entire amount awarded under the Award in the District Court. The Cross Objection filed by the applicants herein is also admitted. In view of these facts, it is contended that the cause of action in the present civil application does not survive. In the circumstances, the civil application is dismissed as infructuous.
